Encounter with Jesus
New York Times Headline

Please Note

The words and messages of the guides and Jesus are in set off from the text and/or noted as such. The words in square brackets have been added for clarity.

The term “Man” is capitalized and is used for all humans, both women and men.

The terms “All That Is,” “God,” “the Divinity,” “the Source,” and “the One” are used throughout interchangeably. “Goddess” is inherent within these energies, as is “God.” These terms encompass all separations.
